Howdy!

The Department of Residence Life offers tours of several of our residence hall facilities to potential Aggies, their families, and visitors. We currently offer tours of four residence hall building styles — Modular, Commons, Corridor (or Corps), and Ramp. Tours of Balcony residence halls are not available at this time.

These are walking tours so be sure to wear comfortable shoes. Visitors who need special assistance accessing the residence halls, please contact us or let us know prior to your tour.

★ Meet at the Commons Lobby to go on a residence hall tour. The Commons is located at the intersection of Lubbock Street and Spence Street.
