

Aggie Sustainability Month

October kicks off Sustainability Month here in Aggieland! Throughout the entire month, and midway into November, various organizations and departments across campus will be hosting events and fundraisers. Texas A&M is dedicated to becoming a more sustainable campus and encourages all Aggies to do their part. Participate in the on-campus Sustainability Challenge and become a part of a growing Aggie tradition!

Previous Month's Highlights

- "How to be sustainable on campus" article in The Battalion.
- Texas A&M became the largest university in the nation to earn fair trade status.

Sustainability Groups/Departments:

- Aggie Eco Reps
- Office of Sustainability

#aggiesgoinggreen or **#agg** for the Sustainability Challenge and encourage fellow Ags to join!
